

## Preannouncement Heritage Day Brazil 7 October 2009

Dear madam/ sir,

On the 7th of October the Centre for International Heritage Activities (CIE) will organise, in cooperation with The Netherlands Institute for Heritage (Erfgoed Nederland) and the Atlantic World and the Dutch (AWAD), a Heritage Day Brazil. The day will take place at Museum Boijmans van Beuningen in Rotterdam.

### **Objectives of the Heritage Day Brazil**

With this day we would like to bring together Dutch professionals working on heritage projects with Brazilian colleagues and organisations. The aim of this Heritage Day is to improve connections between projects and partners.

The Heritage Day will consist of different presentations and panel discussions that give insight in the Brazilian heritage field and workshops that will be grouped in different themes. You can expect themes like intangible heritage, archives and academic cooperation, tangible heritage and the mutuality of mutual cultural heritage. These workshops are aimed at formulating recommendations regarding challenges and opportunities in the international cooperation with Brazil.

When you are interested to participate you can already register for the Heritage Day Brazil at [erfgoeddag@heritage-activities.nl](mailto:erfgoeddag@heritage-activities.nl). The final programme will follow within three weeks.

### **Project presentations**

Besides presentations and workshops all completed, running and proposed projects on with Brazil can be presented through poster presentations. Because these posters visualise the projects better participants get greater insight in your project. We use these poster presentations because we want to give as many organisations and individuals the opportunity to present their projects. These poster presentations will give direct access to the projects, give the opportunity of sharing knowledge and offer possibilities for future cooperation. During the lunch and short breaks you can discuss your projects with colleagues and participants.

The posters on A2 format will be produced by the organizers of the Heritage Day and are free of charge. If you would like to present a poster, for composing the posters we need:

- Four photos of your heritage project, preferably 300 dpi (dots per inch)
- A project description in English containing the aims, possible results, partners, contact details etc.

Examples of these posters can be seen on:

[www.heritageactivities.nl/content/eng/activities/partnercountries/suriname/posters.html](http://www.heritageactivities.nl/content/eng/activities/partnercountries/suriname/posters.html).

After the Heritage Day the posters will also be made digitally available through the CIE website and admitted in our database.

The deadline for sending in your project information is 14 September.

Thank you very much in advance for your cooperation. We are looking forward to meet you in Rotterdam. If you would like to register, have any questions or comments, please contact us at:

Phone: +31 (0)71 5168895
