

Preannouncement Heritage Day Russia 19 March 2010

Dear madam / sir,

On the 19th of March the Centre for International Heritage Activities (CIE) will organize, in cooperation with The Netherlands Institute for Heritage (Erfgoed Nederland) and the University of Amsterdam, a Heritage Day Russia. The day will take place at the Doelenzaal of the University of Amsterdam at Singel 425 in Amsterdam.

Objectives of the Heritage Day Russia

With this day we would like to bring together Dutch professionals working on heritage projects with Russian colleagues and organisations. The aim of this Heritage Day is to improve connections between projects and partners.

The Heritage Day will consist of different presentations that give insight in the Russian heritage field and workshops that will be grouped in different themes. You can expect themes like collection and conservation, heritage management, research and public awareness and the mutuality of mutual cultural heritage. These workshops aim at formulating recommendations regarding challenges and opportunities in the international cooperation with Russia.

When you are interested to participate you can already register for the Heritage Day Russia at erfgoeddag@heritage-activities.nl. The final programme will follow within a month.

Project presentations

Besides presentations and workshops all completed, running and proposed projects on Russia can be presented through poster presentations. With these posters participants can get great insight in your project, because these posters will visualise the projects very well. We use these poster presentations because we want to give as many organisations and individuals the opportunity to present their projects. These poster presentations will give direct access to the projects, give the opportunity of sharing knowledge and offer possibilities for future cooperation. During the lunch and short breaks you can discuss your projects with colleagues and participants.

The posters on A2 format will be produced by the organizers of the Heritage Day and are free of charge. If you would like to present a poster, for composing the posters we need:

- Four photos of your heritage project, preferably 300 dpi (dots per inch)
- A project description in English containing the aims, possible results, partners, contact details etc.

Examples of these posters can be seen on:

www.heritage-activities.nl/content/eng/activities/partnercountries/suriname/posters.html

After the Heritage Day the posters will also be made digitally available through the CIE website and admitted in our database.

The deadline for sending in your project information is 1 March.

Thank you very much in advance for your cooperation. We are looking forward to meet you in Amsterdam. If you would like to register, have any questions or comments, please contact us at:

Phone: +31 (0)71 51 68 890

E-mail: erfgoeddag@heritage-activities.nl

With kind regards,

Eva Koppen (CIE)

Veronique Rap (CIE)

Marjolein Cremer (Erfgoed Nederland)
